VISITOR COVID-19 GUIDELINES FOR YOUR SAFETY AND PEACE OF MIND

- The complimentary invitations have an NHS Test and Trace box for visitors to fill in before entering the fair, in line with government and local authority guidance. Information will be held for 21 days.
- Test and Trace details will be taken from anyone paying to come in and contactless payments are encouraged.
- Safety notices will be displayed around the fair.
- Anyone feeling unwell must avoid entering the fair.
- Hand sanitiser stations will be available at the entrance and in the fair and visitors will be asked to clean their hands on entry and exit.
- Face covering should be worn at all times inside the marquee. These should be supplied by the individual visitor.
- Social distancing should be observed at all times and there will be markings on the floor to assist.
- At busy periods, a one-way system will operate around the stands. The aisles have been widened to allow for adequate distancing and a single route.
- Please ask the exhibitors for permission before handling any item.
- Queuing to enter the fair will be inevitable and social distancing must be observed in the open. Covered walkways will be erected immediately outside the marquee and marshals will be in attendance.
- Enhanced cleaning protocols will be in place to minimise the risk around the fair.
- The catering will be accessed from the outside only with all food and drink served as take aways.
- The public loos will be positioned outside the front of the marquee to facilitate access. An attendant will be on duty to carry out regular cleaning. Please use the hand sanitiser outside before entry and on exit.
- Carrier bags will be available at reception but not handed out on the stands.
- Photography is not permitted inside the fair.
- The visitor programme will be on-line only to minimise the handling of paper.
- Petworth House and the gardens are open to visitors by pre-booking on-line only.
